## Description

An elegant French Empire style bouillotte, twin arm table lamp in good quality gilt bronze with its original attractive toleware shade. The lamp has two stylish gilt swan arms with faux candle bulb holders and a central reeded cast bronze column with tasteful deep green, painted highlights. This has its original toleware painted shade which has a useful rise and fall action to the central shaft so is easily raised or lowered. This has been rewired with modern braided cable in keeping with the period style of the piece so is ready for use in the home. It takes two standard small screw fitting candle bulbs. The lamp measures 51 cms high overall with the shade being 35 cms in width. UK insured packing and delivery is £20
