Description

Art Deco Pearl & Diamond Drop Earrings – 18ct Gold, Antique 1920s These exquisite Art Deco dangle earrings are a superb example of 1920s glamour and craftsmanship. Finely handmade in 18-carat gold, they showcase the clean, geometric elegance typical of the era. Each earring is designed with a lustrous round pearl at the top and a softly shaped drop pearl at the base. The creamy silver pearls have a beautiful deep lustre; the upper pearls measure 7.8 mm and the lower drops 8.5 mm long. Suspended between them is a gracefully tapered 18ct gold bar accented by a diamond-set motif set with four sparkling diamonds – two 2.5 mm and two 2 mm – with a total estimated weight of 0.20 carat (colour G/H, clarity SI). These earrings measure 3.7 cm (1.45 inches) in length and weigh 3.8 grams. They are fitted with secure 18ct gold posts and silver butterflies for comfortable wear. Unmarked, but tested as 18ct gold.
