Description

A Louis Philippe antique arch top gilded mirror of appealing small dimensions. Moulded frame with beaded decoration along the internal edge of the mount – original mercury plate glass and back boards. This piece features an original gilt finish with finely detailed cross-hatched etching on the moulded frame. The mercury plate, also original, remains in very good condition, making it an ideal and elegant addition to a bathroom basin or dressing table. Minimal wear consistent with age. Please be sure to check all the images as these form part of the description.
