Description

Wonderful subject matter of fabulous fish swimming in the sea with two naked fisherman sitting on the backs of turtles, spears poised. Lovely soft colours of cream, pale greens and yellows with flashes of red. I particularly like the alarmed looking fish staring straight at you in centre stage. Framed and with hooks for hanging, probably was used over a fire place but could fit in so many places and be a charming addition to the ambience. 1'3" x 7'0"
