Description

A beautiful and extremely well made antique burr walnut coffee table in the Queen Anne style. This was made in England, it dates from around the 1930's. The quality is outstanding, this is a large and impressive size. The top has stunning burr walnut grain patterns, and there is crisp floral carving all around the edges. This stands on cabriole legs with more lovely carving at the knees, terminating in scrolled feet which stand on an X frame stretched base. We have had this re-polished, the condition is excellent.
