Description

A stunning antique Edwardian inlaid mahogany settee. This was made in England, it dates from around the 1900-1910 period. The quality is outstanding, with lovely proportions and a beautiful design. The solid mahogany frame is elegant yet sturdy, the back is beautifully pierced and has gorgeous inlays of rosewood and satinwood. We have had this recently re-polished, the seat and arms have been newly upholstered in a cream cotton fabric. The condition is excellent for its age, with some very minor wear remaining beneath the polish here and there.
