Description

A good quality large solid brass table lamp of elegant design in the form of a Regency period tripod based candlestick with gallery tray to the top. The solid brass is very heavy and high quality with a lovely antique colour and patina. This is in excellent condition and fully working order. It comes with the an attractive pleated ivory coloured shade that suits the style and proportions of the piece admirably. This takes a standard bayonet fitting bulb and the lamp measures 74 cms in height. The shade is 26 cms in diameter and the base of the lamp measures 16 cms square. UK insured packing and delivery is £20
