Description

An impressive and generously sized George III Lancashire mahogany mule chest. The piece features a shaped gallery to the back and a moulded cornice top that lifts to reveal a spacious interior fitted with a candle box and two small drawers beneath. To the front are three short drawers and six long drawers, with the lower four fully functional. The chest is raised on sturdy bracket feet, combining practicality with classic Georgian craftsmanship. Item Ref; M-6363 . DIMENSIONS: Height – 118cm / Width - 187cm / Depth - 55cm . CONDITION REPORT: In good antique condition overall, with typical signs of age and use. The chest shows surface wear, including age-related marks and scratches throughout. There is some staining to the top, minor losses to the edges, splitting to the front drawers, and losses to the back. Despite these age-related characteristics, the piece remains sturdy and retains the charm of its Georgian craftsmanship. Our experienced carpenter carefully inspects, repairs, and restores each item in our collection, ensuring that every piece you purchase is ready to be seamlessly incorporated into your home. To give you an accurate representation of the item's condi...
