Description

Original King George VI Coronation Stool 1937 Limed Oak By Waring & Gillow. A fine example of an original Waring and Gillow lined oak coronation stool from the 1937 Westminster Abbey, celebrated event in mostly excellent and original condition with stamps to the base. Standing and presenting well whilst featuring the original fabric, some wear to the fabric but mostly the expected, minimal wear to authenticate, a very good model by the most preferred maker of the stool. The stool has been in the same family for 30 years, having acquired it previously from the original family that attended the occasion and subsequently invited to buy it following the occasion as prestigious souvenir. Please request more photos and any questions invited. Free collection from Lewes, East Sussex. Dispatched U.K. and worldwide within 2-3 working days with tracking.
