Description

A versatile Edwardian oak tea trolley with two tiers and a clever folding top. The rectangular upper tray folds out to double the serving surface, making it both practical and space-saving. Raised on straight legs with an undertier shelf for additional storage, the trolley stands on small castors for easy movement. Width (open): 81 cm. Very Good antique condition with age-related wear consistent with use. The oak retains a warm polished finish. Castors roll smoothly and the folding top mechanism works as intended. A functional and charming piece, ideal as a tea trolley, side serving table, or occasional drinks stand.
