Description

A stunning, fine and impressive pair of vintage 5.09 carat diamond and platinum Art Deco earrings; part of our Art Deco jewellery collections. These stunning, fine and impressive vintage Art Deco earrings have been crafted in platinum. Each opposing earring is ornamented with three impressive individually four claw set transitional modern brilliant round cut diamonds. The remaining interlacing Art Deco settings of each earring is embellished with a total of forty pavé set diamonds, in a combination of transitional modern brilliant round and eight cuts. These platinum diamond earrings for pierced ears secure to the reverse with a post and hinged fastening. These vintage diamond earrings are supplied with two IDGL diamond grading certificates for the feature diamonds, in addition to an independent diamond grading report card for the supporting stones. These impressive examples of 1950s jewellery have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. Such examples from this period with larger feature diamonds are becoming increasingly difficult to locate. These vintage Art Deco diamond earrings in platinum offer...
