Description

Early Heals Antique Oak Chequer Inlay Side Table. This is a fabulous, early Heals antique oak side table, a design by Ambrose Heal himself. It has been many years since we have had one of these Heals side tables into stock. They are so useful as side tables by armchairs and sofas. The round oak table top has a lovely chequer inlay around the edge with four, reverse tapering legs that are joined by a flat stretcher. To two sides are twin oak slats with the matching decorative chequer inlays. A super example in very good condition. Dates to around 1900. Dimensions Height: 70cm (27.78") Width: 51cm (20.24") Depth: 51cm (20.24")
