Description

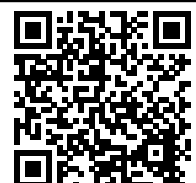

A spectacular original Art Deco birds eye maple and walnut compactum wardrobe. This was made in England, it dates from the 1930's. It is beautifully designed and it is of superb quality. There is lots of storage space inside, with lots of internal drawers of varying depth. This is predominantly birds eye maple, with walnut trim around the edges and solid walnut handles that contrast beautifully with the lighter wood. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. Width – 107 cm , 42 inches Depth – 56 cm , 22 inches Height – 118 cm , 47 inches
