Description

Antique 1920s Diamond Cluster Ring – 18ct Gold Daisy Engagement Ring. This charming antique diamond cluster ring was made in the 1920s and is fashioned in rich 18-carat yellow gold. The ring showcases a traditional daisy design, with seven bright single-cut diamonds set in white gold, their star-shaped mounts enhancing the sparkle and giving a subtle contrast against the warm yellow band. The cluster sits within an attractive gold corbeil-style gallery, lending a delicate openwork profile and a graceful vintage character. Its timeless daisy motif was a favourite of the early 20th century and continues to make a romantic choice for an engagement or special occasion ring today.
