Description

A stunning antique Queen Anne style burr walnut dining table and chairs set. This was made in England, it dates from the 1920-30's. The quality is superb, the table and chairs sit on lovely solid walnut cabriole legs with deep shell carving at the knees. The table top and chair backs have gorgeous burr walnut veneers, all the construction beneath is solid walnut. There is an extra extension leaf that comes with this to enlarge the surface area, the leaf can be stored on a ledge under the table top when not in use. We have had this stripped and re-polished, the condition is excellent throughout. The leather seats have been recently upholstered, the leather has been revived and hand coloured by our leather restorer.
