Description

Here we have an outstanding quality solid English Oak and Burr Oak wake dining table. As you can see the table is rich in colour and patina. The top has super planks with wonderful grain and colour. The planks have a stunning burr Oak band to the edge. The table has the advantage of pull out slides when raising the leaves so no extra legs in the way that you would get with a gateleg table. There is a shallow frieze below the top and turned and tapered legs in the George II style to pad feet. A super quality table that will seat 12 in a very social manner. The table is in excellent retail condition ready for your home. The dimensions are approx 214 cm long 166 cm deep 76 cm high.
