Description

A large Welsh wool blanket dating from the early to mid 20th Century. It is a traditional plaid design in beautiful pinks and creams. It is a particularly early example because it has been made in two halves when looms were smaller and then sewn together to make one large blanket. It is in excellent condition for its age. There are some minor signs of use but no major damages or stains. Approximate Measurements : 86" (219cm) x 70" (178cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
