Description

Rare and unusual large antique regency quality mahogany D shaped metamorphic table having a wonderful quality mahogany D shaped top with a reeded edge and a D shaped frieze. It boasts a drop leaf to the back making a console table which folds up to make a centre table or an eight seat dining table with original brass clips. It is supported by two outstanding rope twist mahogany columns on a platform base with four attractive reeded sabre legs with original brass paw feet and brass castors. A magnificent first-class example, the quality of the craftsmanship, design and materials used are evident throughout this very desirable table. H 72cm W 124.5cm D 63.5cm When open D 126cm Date 1825
