Description

A large Welsh wool blanket dating from the early to mid 20th Century. It is a traditional honeycomb or waffle design finished with fringes on two sides. It is made with beautiful pinks and greens but the nature of the design means one side is more pink and one side is more green. It is in excellent condition for its age. There are some minor signs of use and a few very minor hitches but no major damages or stains. Approximate Measurements : 92" (234cm) x 88" (224cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
