Description

An original Bon Ton Ivy Straw boater with black fabric band dating from the early 20th Century. It is a fantastic quality piece with a leather inner band and maker's stamp on the inside lining. It has a paper size label "6 7/8". The hat is in very good condition and displays beautifully. There are some minor signs of age and use and one small dent (see photo) but nothing detrimental and it looks hardly worn. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £7
