Description

A very finely engraved Egyptian antique solid silver dish, plate or tray. It is hallmarked with the 900 silver mark and tests as such, I would date it to c1940's. It has been superbly made being engraved with script and a boarder of fish. It is in superb condition being free from dings splits distortions holes and repairs, tiny dimple to the base see final photo. It measures approx. 6 inches (15.5cm) across and weigh 124 grams. A very nice example.
