Description

A vibrant Japanese Imari porcelain plate, exquisitely decorated in the traditional palette of cobalt blue, iron red, and gilt highlights. Intricate floral and foliate motifs unfold in radiating panels around a central medallion. Housed in its original wooden storage box, the plate is both protected and elevated by its presentation. The box bears bold calligraphy across the lid, lending a sense of provenance and cultural depth. Together, the plate and box embody the Japanese reverence for craftsmanship, ritual, and aesthetic refinement. An exceptional decorative piece, ideal for collectors of Japanese ceramics or interiors seeking a touch of historical richness and artistic flair. Plate diameter is 40cm.
