Description

Circa 1870. Pair of Sevres-style pale blue ormolu-mounted porcelain vases. The vases with beaded ormolu (gilded brass) rims and ormolu-mounted neck with panels of hand-painted flowers on a duck egg blue background. The sides with neoclassical ormolu handles with bell flower chains. The vase body with decorative panels of musicians and floral arrangements, over neat ormolu supports and an ormolu base with cut out corners, with further panels of foliate decoration.
