Description

An early 20th century Dutch oil painting on board of a winter landscape, with figures skating on a frozen river in the foreground and a cottage with other figures, with trees and a windmill in the background over a partly cloudy sky. Signed indistinctly lower right but probably by Imre Gall, framed in a swept gilt frame, circa 1900. Image size: 11.5" by 15.5" (29cm x 39cm) Condition: Excellent, the painting is in very good condition with no damage to either the frame or the painting itself, the colours appear clean and fresh, and overall it has a charming appearance.
