Description

This superb Italian micro mosaic ladies bracelet is made up of nine individual panels set into gilded base metal frames and linked together with moveable rings and fastened with a strong nickel hook which is shaped for security. Each panel is a miniature masterpiece with a central roundel made up of a miniature micro mosaic flower display in bright colours, finished with a blue boarder. To each side, there is a smaller roundel each set with a red, yellow and white millefiori cane. The remainder of the panel forms a boarder and is filled with white and black glass fragments. This lovely bracelet contains complicated and delicate work from an Italian, highly skilled craft person. The bracelet is in excellent original condition with no damage or losses. Italian, circa 1920 Height 0.4cm x width 20cm x depth 0.8cm
