Description

Doulton Burslem, Staffordshire, c.1891. An original pair of rare beaker-form porcelain vases on three-dolphin architectural bases. Ivory ground with hand-painted floral bouquets; gilt inner rims and gilt decoration to the stepped triangular bases. Both bear the crowned Doulton Burslem mark (circular monogram), a dating indicator for the pre-Royal Burslem period. The small differences in height and weight are a hallmark of hand production—each vase was individually formed and painted. Collectable late-Victorian Doulton: refined shape, lively bouquets and bright gilding. Dimensions: Vase 1: 12.7 × 7.8 × 7.8 cm; 185 g Vase 2: 12.4 × 7.8 × 7.8 cm; 170 g Condition: Excellent antique condition. Vase 1 shows minimal rubbing to the inner gilt rim; Vase 2 is in full, clean preservation. No chips, cracks or restorations. Please study the accompanying photographs carefully as they form an integral part of this description. If you have any questions, we will be happy to answer them. The item will be shipped with full tracking and insurance. It is important to note that shipping costs include labour, packaging and postage.
