Description

A beautifully executed oil on canvas signed E. Harrison, depicting a peaceful rural landscape with cottages, trees and a riverbank — a classic subject reflecting early 20th-century English painting traditions. The painting is created on a Winsor & Newton “2nd Quality Prepared Canvas, Rathbone Place, London W.”, a type of canvas used primarily between the 1890s and 1930s, which helps to date the piece to that period. E. Harrison is recorded as a British Impressionist & Modern painter, active in the early 20th century, known for traditional rural and figurative scenes. The use of soft light, natural palette and delicate brushwork are consistent with that school. This painting is in excellent condition, showing vibrant colours and a well-preserved surface. The wooden frame suits it perfectly, highlighting its warm tones and depth. Artist: E. Harrison (British, early 20th century) Medium: Oil on canvas Canvas mark: Winsor & Newton, Rathbone Place, London W Date: Circa 1910–1930 A charming and atmospheric vintage landscape painting, ready to hang and enjoy — ideal for adding a touch of classic English countryside style to any interior.
