Description

Attractive Pair of Bronze & Brass Cherub Candlesticks, circa 1900 A charming pair of late 19th to early 20th-century bronze and brass cherub candlesticks, finely modelled and displaying excellent detail and character. The figures are beautifully cast, each cherub holding a candle sconce, with an appealing warm patina and gentle wear consistent with age. Probably French in origin, these elegant examples exude period charm and would enhance both traditional and contemporary interiors alike. Height: 21 cm Condition: Very good antique condition with light wear and rich patination. A delightful decorative pair — full of style and presence.
