Antique silver Churchill chain and fob

Price

Sold**Item Reference: SA1170145****Date of manufacture: 1920**

Description

Antique silver Churchill chain and fob. The chain measures 33cm long including the T-bar and the clasp. The slightly misshapen T-bar is hallmarked for Birmingham 1895. There are silver marks on the chain. The clasp is hallmarked for 1922. This style of chain is typical of the 1920s so we can assume that the T-bar is an antique replacement. Also included is a silver fob with a rose gold wash shield to the front. The fob measures 30mm wide and 40mm high, and is hallmarked for 1908. There are no personal inscriptions on the fob. Total weight 45g.
