Description

An incredibly beautiful antique Swedish Empire giltwood settee. This was recently imported from Sweden, we would date it to around the 1880-1900 period. The quality is outstanding, the gilt wood frame has an absolutely stunning design and a beautiful patina. There is profuse, crisp carving throughout, this is so beautiful it looks as if it came out of a palace. The condition is excellent for its age, we have had it re-upholstered in a cream cotton fabric. There is just some minor surface wear here and there. This is part of a suite that we have, including a matching pair of side chairs and marble top table, all seen listed under our other items for sale. Width – 55 inches , 140 cm Depth – 25 inches , 64 cm Height – 37 inches , 95 cm Seat height – 16 inches , 41 cm
