Description

An absolutely stunning antique French ormolu mounted escritorio writing bureau, dating from around the 1890-1910 period. It is of outstanding quality, with beautiful hand painted imagery on the cylindrical top. There are high quality ormolu mounts throughout, this has a clever design whereby the top rolls back when the drawer is pulled out. Once the drawer is pulled out, you can unfold the velvet writing surface. There is a good amount of work space and storage space, this is practical as well as very beautiful. The back is also nicely finished, so this can be used as a free standing item. We have had this recently re-polished, the condition is superb throughout for its age. Width – 32 inches , 82 cm Depth – 22 inches , 56 cm Height – 43 inches , 109 cm
