Description

A wonderful antique mahogany military campaign nesting coffee table / side tables. These were made in England, they date from around the 1930's. They are of excellent quality and have a very useful design. The two smaller side tables nest under the larger coffee table when not in use, and are designed to be used separately as side tables. The brass mounts are very well made and contrast beautifully against the rich mahogany. We have recently had these re-polished, the condition is excellent for their age. There are just a few minor marks and bumps remaining beneath the polish here and there, adding to the character. Coffee table: Width - 30 inches , 76 cm Depth - 18 inches , 46 cm Height - 19 inches , 49 cm Side tables: Width - 15 inches , 37 cm Depth - 15 inches , 37 cm Height - 16 inches , 41 cm
