Item Reference: SA1170402

Date of manufacture: 19th Century

Description

Antique Single Fusee Inlaid Balloon Cased Mantel Clock With Silvered Dial. This lovely antique single fusee mantel clock has a beautiful "balloon" shaped case. The case is mahogany with lovely cross banding as well as an array of intricate inlay to the front. Finally the case is finished by a moulding around the bottom edge and four shaped brass feet to the bottom. The dial is then silvered and set out in black Roman numerals with a thin ring to the outside marking the minutes. The centre of the dial is then beautifully engraved. The dial is then finished by a lovely bevelled glass set into a brass bezel as well as two shaped hands. The movement is then wound from the front and accessed from the back. It is a fully working fusee example of the upmost quality and comes complete with its regulating pendulum and winding key. It measures approximately: - 16.25" / 41.5cm Tall. - 10" / 25.5cm Wide. - 7" / 18cm Deep.
