Description

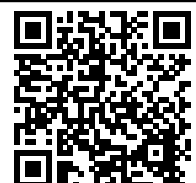

A stylish and extremely well made original Art Deco burr Walnut occasional side table / coffee table. This was made in England, it dates from the 1930's. The quality is fantastic, this has a beautiful burr walnut octagonal top and platform base, with inlaid satin wood borders and cross banded edges. That sits on a central pedestal base that is also beautifully made from walnut. It is a great size to be used as an occasional side table or as a coffee table. We have recently had this stripped and re-polished to a very high standard, the condition is excellent for its age. Width – 61 cm , 24 inches Depth – 61 cm , 24 inches Height – 51 cm, 20 inches
