Description

A small and beautifully made antique marble top dining table. This was made in England, it dates from around the 1910-20's. The quality is outstanding, this is a lovely petite size and seats four perfectly. The base is solid mahogany with beautifully fluted and carved legs. The frieze beneath the top has gorgeous zebrano veneers. The circular marble top is a stunning colour of mainly black, grey and white tones, it sits loose on the base and can be removed for ease of transport. The condition is excellent for its age, we have had the base re-polished, there is no damage to be seen to the base or marble.
