Description

This charming Victorian Tunbridge ware box is made from beautifully polished rosewood and features a striking geometric cube mosaic, an iconic motif of Tunbridge ware, framed by a delicate floral border. Inside, it's lined with soft satin, making it perfect for storing jewellery or keepsakes. The floral banding continues around the sides, adding to its timeless appeal. Though it shows gentle signs of age, the inlay work is intact and the box remains in excellent condition. A lovely decorative piece that combines craftsmanship with everyday usefulness.
