Description

Dating to c1780-1800, this is a fine example of a wirework basket made of Old Sheffield Plate. With a ducal crest of a swan to the centre of the bowl. With elegant lines and a good strong swing handle. The condition is good overall with no dents or splits. All of the wires are intact. The plating is in good order but with small patches of copper bleed to the wirework and the central crest - please see photos. Weight approx 641g. Height to top of handle approx 28cm. Height to top of bowl approx 14cm Measures approx 36.5cm x 22.5cm
