Description

A striking antique oak coffer, beautifully preserved in untouched condition and adorned with exceptional ironwork. The three-plank top, secured with original iron strap hinges, lifts to reveal a spacious interior complete with its original candle box, a charming and practical detail rarely retained. The chest features robust iron carry handles and displays a rich, warm patina with expressive grain. Historic knocks, marks, and surface wear speak to its age and use, enhancing its authenticity and rustic appeal. Perfectly suited for storing blankets, pillows, or seasonal linens at the foot of a bed, yet equally compelling as a statement piece in a hallway or living room. Its scale, colour, and craftsmanship make it a versatile and characterful addition to any interior.
