Description

A good example of a Georgian Sterling Silver Christening cup. It stands on a round foot with an elegant scrolling handle and it is beautifully decorated with a swirling floral repousse design around a central cartouche. This is faintly engraved with initials 'J.A.H'. It is stylish and good quality and it weighs approximately 150g. It is clearly hallmarked for London, 1834 and the maker John James Keith. It is in very good condition for its age. There are some faint surface marks and some minor dinks but nothing detrimental and it displays beautifully. It has been gently cleaned and polished and is ready for use. Approximate Measurements : Height : 4" (10cm) Width : 3" (7.5cm) Length inc Handle : 4" (10cm).
