Description

A good example of a large sterling silver bread or fruit basket with a pretty pierced design and curving shape. It is stylish and good quality, weighing approximately 447g. It is clearly hallmarked for London, 1913 and the makers Goldsmiths & Silversmiths. It is in very good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and a few small dinks but nothing detrimental. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
