Description

A good quality Arts and Crafts copper planter or log bin dating from the early 20th Century. It is rectangular in shape with a wooden lining. It has been very well made with decorative copper strapping, twisted carrying handles at each end and a beautiful hand beaten finish. It is in good original condition and displays beautifully. There are no major damages, splits or holes. There are some minor dinks and dents and signs of age and use but nothing detrimental. There is some wear and staining to the wood lining but overall it is strong and sturdy. It has been lightly cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £25
