Description

Rare and possibly unique, this early 20th Century stick has a mechanism that when twisted and pushed propels and locks a 5" (12cm) triangular spike from the end. In normal guise as a walking stick the end is protected by a brass ferrule and steel cap. The ash haft is inlaid with ebony darts and the handle is banded in brass. In excellent condition. Size: Stick length closed - 35.25" (89.5cm) Stick with spike locked open - 39.5" (100.5cm)

Internal Ref: 40040
