Description

One of the best mid 18thc copper "tavern" or "coffee house" coffee-pots I have purchased in a long time, it has an attractive shaped spout, turned fruitwood handle and original shaped finial on the domed lid....pleasing to see the "castellated" seam which joins the body and the seam which joins the rolled copper spout...excellent colour and in fine original condition. English. C1750-70.
