Depth = 0.7 cm (0.3")

Description

A charming Regency period bronzed silhouette portrait, identified verso as 'E Sutton, Aged 9' and signed 'J Deacon, July 22 1816'. The portrait is extremely well done with very fine, well executed attention to the detail throughout. The work is housed in a high quality silhouette frame of the period. There is some light wear commensurate with age but generally the work remains in a very good attractive condition throughout.
