Description

This chest is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The chest would look well in an old or modern property amongst similar antique pine furniture in a large bedroom. The chest stands on round bun feet supporting the main section. There are two small drawers over three larger drawers. The drawers have round turned wooden knobs, dovetail joints and are pine lined. The top is in good condition. There are champhered edges to the drawers which is a nice feature. The height is 106cm, the width is 104cm and the depth is 47cm.
