Description

Description Elegant Regency Mahogany Side Table A fine example of Regency elegance, this side table is presented in a rich, deep mahogany with a beautifully developed patina throughout. The bow-fronted frieze is fitted with a single long drawer, adorned with two exquisite stamped Hepplewhite-style ovoid brass handles, lending a refined touch of neoclassical charm. The tabletop is attractively inlaid with delicate ebonised stringing, providing a subtle yet sophisticated contrast. Standing on finely turned legs, this piece reflects the craftsmanship and aesthetic sensibility of the early 19th century. Perfect as a hall, writing, or occasional table, this piece offers both functionality and timeless appeal. Condition report: Excellent.
