Description

A stunning, fine and impressive antique 1.11 carat aquamarine and 0.75 carat diamond, 14 carat yellow gold and platinum set bracelet; part of our diverse collection of antique aquamarine jewellery. This stunning, fine and impressive antique aquamarine bracelet has been crafted in 14ct yellow gold with platinum settings. The bracelet is ornamented pierced decorated cluster design embellished with a central feature 1.11ct round faceted cut aquamarine, claw set in subtle relief. This feature gemstone is encompassed with thirteen Old European round cut diamonds, in a scalloped border, completing the cluster design. This aquamarine setting surmounts a desirable fully articulated, expandable 14ct yellow gold and platinum spring loaded strap composed of elongated links; the inclusion of platinum links indicates the high quality of the piece. The bracelet bears the patent mark 'BRITANNIC PATENT 21654/05 24396/06' and has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 14 carat gold and platinum. This impressive aquamarine cluster bracelet is supplied with an IDGL diamond and gemstone grading report card. This aquamarine and ...
