Description

True William Morris Antique Sussex Chair A lovely original 19th century English antique Sussex chair by William Morris around 1870. In excellent, strong condition and still in the original ebonised finish. Perfect height for dining or desk work, but would work well as a side chair in a bedroom or bathroom. Complete with the traditional seagrass seat that is also in super condition. This is a true Morris chair, not a look alike that other companies made in the late 19th century.
