Description

A superb pair of Chinese hardwood plant stands, each topped with a circular marble inset and richly adorned with mother-of-pearl inlay. The aprons are gracefully contoured and intricately decorated with floral and foliate motifs, showcasing exceptional craftsmanship and decorative finesse. Raised on four shapely legs, the stands are united by an inlaid X-form stretcher, adding both stability and visual harmony. The wood is deep-toned and beautifully patinated, with minor age-related imperfections that speak to their authenticity and character. These stands are ideal for displaying ceramics, sculpture, or floral arrangements, and would bring a touch of elegance and cultural heritage to any interior setting.
