Description

A Really Lovely Edwardian Sterling Silver Pin Cushion. With its domed green velvet cushion and a beautiful ribbon bow detail at the front, it evokes the fashionable millinery styles worn by women of the early 20th century - and perhaps even by those at the heart of the suffragette movement. Hallmarked for Chester, 1908. * Still useful for pins, needles, or even earrings. Measurements: Height: 1 1/4" (approx. 3cm) Diameter: 3 1/4" (approx. 8cm) Total weight: 105g In good condition - The silver has been gently polished and retains a soft, even patina. Green velvet shows some light surface wear, consistent with age, but remains firmly attached and well-shaped.
